

STELLAR PERFORMANCE BY FAIPS (DPS) CLASS 10 STUDENTS (2020-21)

The Class 10 (2020-21) batch of students of FAIPS DPS continued their illustrious journey in line with their earlier meritorious performance despite the disruptions caused by the pandemic. The widespread COVID-19 compelled CBSE to cancel the regular examinations and adopt alternate assessment criteria to evaluate students based on their school performance. The assessment entailed school based periodic tests examinations and activities conducted during the academic year 2020-21 which were answered with utmost diligence and dedication by the students.

FAIPS fraternity extends its appreciation to CBSE for devising a transparent mode of assessment, thereby curtailing the cut-throat competition in terms of marks scored. The Principal Mr.Ravi Ayanoli congratulated the students for weathering the uncertainties and rising to the challenges to reach a milestone with their brilliant results in Board assessments.

He also expressed his gratitude to the parents and the teachers for their unfailing support and guidance during these difficult times.
