

FAIPS STUDENTS' VISIT TO INSTITUT FRANÇAIS DU KOWEÏT

The IGCSE - Level 2 Students of FAIPS - DPS visited the '**Institut Français Du Koweït**' on 28th November 2019. It was a wonderful opportunity for the students to apply their knowledge in a practical environment.

Established on January 1st, 2012, the French Institute in Kuwait is the result of the consolidation of several existing entities: the Department of Cooperation and Cultural Action of the Embassy of France, the Voltaire Institute and the French-speaking community of Kuwait. The creation of the French Institute in Kuwait coincided with the setting up of the French Institute around the world and marks the beginning of a new chapter in cultural relations between France and Kuwait, initiated more than 40 years ago.

The students watched a French movie "Les Nouvelles Aventures d'Aladin" starring Kev Adams, Jean-Paul Rouve and Vanessa Guide. After the film, the students got a taste of the delectable French cuisine at the Cafe. It was a great learning experience for the students to get to know more about France and their rich culture.
